Chuck,

We're about to run the numbers on the OT claim and put them in a spreadsheet. If you've already done the work, do you want to share the spreadsheet with us? If not (meaning you haven't done the spreadsheet or don't want to share it with us), then please let us know so we can jump on this and get you a demand. I'm only looking to move the case along and not unnecessarily duplicate efforts.

Best,

Brian H. Pollock, Esq.

No sure where I stand on this. I am out today as I need to pick up my son at the airport shortly. I believe the true average of hours is in the 50's if I recall.
